WHY CHOOSE THE HD Electric?

Designed for versatility, the HD Electric carts are corrosion-resistant aluminum pressure washers that easily convert from a cart to a skid for maximum cleaning agility and durability. These reliable pressure washers have a low profile handle and compact footprint, making them easy to maneuver. They also offer a bypass loop for additional pump protection, a 7-year warranty on the oil end of the pump, and flat-free tires. All models are ETL certified to UL safety standards.

DETERGENT FOR EVERY JOB

Landa's innovative detergent lineup makes your cleaning job easier and faster. Phosphate-free to meet the most stringent environmental demands without sacrificing cleaning effectiveness. We'll match you with a product designed for your specific application.

SPEED IT UP WITH ACCESSORIES

We offer a number of pressure washer accessories to reduce your cleaning time. Depending on your cleaning application, choose from items such as flat surface cleaners like the Water Jet, rotary nozzles, extension wands and more.

If you're cleaning long hours at a time, the EASY!Force trigger gun is an ideal and innovative solution to alleviate user fatigue. It's designed to use its own recoil force to hold the trigger down, which means you won't have sore hands after hours of use.

We also offer accessories designed to lengthen the life of your equipment, such as hose reels, which not only protect the high-pressure hose from damage, but help with storage when not in use.

Give us a call to learn which accessories are suitable to use with your pressure washer - and your application.
